## EDUCATION

### Shaheed Sukhdev College of Business Studies, University of Delhi

Bachelor of Science (B.Sc.), Computer Science  
2016 – 2019

### Newton School

Full Stack Web Development Program (Frontend and Backend)  
2022 – 2023

## PROFESSIONAL EXPERIENCE

### Tech Intern

Udhyam Learning Foundation | Sep 2023 – Present

- Developed and implemented a progress-tracking tool using React.js for the frontend and Node.js for the backend.
- Utilized MongoDB Atlas as the database solution.
- Contributed to the technical advancement of the tool, ensuring its robust functionality and efficiency.

### Product Intern

Udhyam Learning Foundation | July 2023 – Aug 2023

- Designed a progress-tracking tool from concept to prototype, using Figma for wireframing and Glide for rapid no-code app prototyping.
- Conducted user interviews and user research to identify and gather insights for product improvement.
- Improved user experience and product functionality, ensuring alignment with end-users' needs and expectations.

### Freelance React Developer

2021 – 2023

- Designed and prototyped dashboards, and landing pages for clients using Figma.
- Developed portals, dashboards, and landing pages for clients in a variety of industries using React.
- Worked closely with clients to understand their needs, conduct user research, and design user-friendly interfaces.

### Preparation for Civil Services and Government Exams

2019 – 2021
